

Goldmere®

Synchronizing Business Globally

CORPORATE PROFILE

“

We operate and cooperate with public bodies, governmental organisations in the UK and overseas,

”

COMPANY OVERVIEW

Established over 20 years ago, Goldmere has become a global platform and network for international business partnerships, investments and synergy facilitators for many governments, companies, groups and organisations, including private entrepreneurial individuals searching for sound international trading partners and links.

With clients comprising of governments requiring training for its work force/Foreign Direct Investments (FDI) and entrepreneurs seeking global commercial integration, Goldmere has gained recognition as trusted experienced negotiators and advisors within the global market place.

Goldmere personnel have many years of experience operating businesses in the areas of retail, manufacture, franchise development, textile, sports, and medical related technologies and sciences under the Goldmere operations umbrella.

This irreplaceable extensive knowledge acquired through dedicated commercial and business experience aligns the company in a unique position in understanding its clients commercial requirements and aspirations,

through exploring and implementing solutions specific to need.

Our dedicated and established network of commercial global associations enable us to provide a service and comprehensive range of opportunities to new and existing clients aspiring to expand their business activities in new and exciting rising global markets.

We operate and cooperate with public bodies, governmental organisations in the UK and overseas, with charitable and humanitarian work representing a central and fundamental element of the Goldmere Ethos.

Goldmere offices located in Kolkata - India & Lagos City – Nigeria are central hubs for the progressive exclusive services and networks we continue to develop in the Asian/African region of the world.

“

We welcome the opportunity to offer your business our wealth of experience and knowledge..

”

GLOBAL BUSINESS INTEGRATION

GOLDMERE is a well established International business with over 20 years of commercial experience in the global market place, driven by a passion for delivering successful commercial integration and business development synergies globally. Our mission is to continually provide high quality services to our clients with total commitment and dedication in the pursuit of exceeding client expectations.

Our diverse experience and involvement with international business integration is extensive and constantly augmented by our dedicated team of professional globally sited executives. We commission and represent all sectors of commercial, industrial, and public/social bodies delivering bespoke international development synergies.

We engage and facilitate cooperation in all areas of international business both corporate, public, and private, having un-paralled collaboration with prominent and ascending global entrepreneurs who we facilitate and maintain cordial alliances within the Goldmere network.

The Goldmere organisation is very proud of its multi-cultural and philanthropic connections both in Asia, India and Africa, derived as a result of our many years of business and

commercial relationships with emerging markets and developing/developed countries with whom we have partnered.

We welcome the opportunity to offer your business our wealth of experience and knowledge in the cultivation and development of international links both commercially or for any socio/economic purpose.

Our portfolio of global networking associations ensures our clients receive essential global market entry information and knowledge..

”

TRADE DELEGATION & TRAININGS

In today's global economy, businesses need to focus on expanding their services overseas and find a way to make their products appealing to people from a variety of different cultural backgrounds. Goldmere is global company dedicated in promoting Trade & Investment opportunities. In partnership with the Sheffield United Youth Academy, Goldmere has assisted young talents round the world to develop their talents.

“

Our personnel are highly trained Lecturers, Professors, Business Executives, & Technical Experts of the highest order

”

EXPERIENCE

As part of its promotion of global business integration, Goldmere in conjunction with Sheffield United Plc, Sheffield City Council and South Yorkshire International Trade Centre organised a Doing Business in Nigeria Seminar at the Copthorne Hotel, Sheffield from 13th to 15th February, 2013. The focus of the seminar was to promote business and partnership opportunities between Nigeria and the UK, while also focusing on business development opportunities in Nigeria.

This opportunity afforded Ogun State (with a 20 member representation led by the Commissioner for Commerce and Industry, Otunba Bimbola Ashiru) the opportunity to showcase Ogun State to a Global audience comprising of investors desirous of doing business in Nigeria, as it was allowed to make a presentation on “Doing Business in Ogun State”.
